2021 SESSIONS

Preschool SUMMER CAMP

Session 1: June 8 through June 17

Preschool Picassos

Do you have the next Michelangelo, Da Vinci or Rembrandt living under your roof? Don't stress let us worry about the mess that comes along with that passion. Blot prints, water color resists, clay and other fun art mediums will be explored.

Session 2: June 22 through July 1

Camp America

Setting up camp at GAP is not just any old camp! We'll build a campfire, set-up a tent, and enjoy a few camp stories. Catching not only fireflies but a fireworks show and patriotic parade - after all this is Camp America!!

Session 3: July 6 through July 15

Super Story Adventures

It's a bird, it's a plane...no it's not Superman, you don't have to be a super hero to make super things happen. We are on our way to having SUPER-sized fun with books! A different children's book will be explored each day. Doing hands-on activities and art projects will make the fun-filled story adventures come to life.

Session 4: July 20 through July 29

Journey to the Jungle

Imagine exploring a place where wild animals run free. Grab your hat and binoculars and jump into the jeep for a jungle adventure. As we travel through the thick jungle brush we'll have a chance to spy on some of nature's most majestic creatures.

Session 5: August 3 through August 12

Sun & Sea

This camp combines fun in the sun and water play while exploring sea life. Our art projects will focus on the different things we can find under the sea. We'll cool off by running through the sprinkler and having some frozen treats.

(Your child should wear their bathing suits under their clothes & bring a towel to dry off).
