2022 SESSIONS

Preschool SUMMER CAMP

Session 1: June 7 through June 16 Green Thumbs

How green is your thumb? Our campers will see if they've got what it takes to make a tiny seed grow. What do we need to make something grow? What can be planted? Can we grow money, milkshakes, or marigolds?

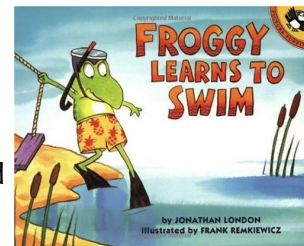

Session 2: June 21 through June 30 3, 2, 1... Blast Off

Seatbelts? Check! Helmet? Check! Ignition? Check! Throttle? Check! Get ready to BLAST OFF to fun in this camp! We will speed through space and look at all the different planets in full view. Defying gravity, we'll pretend to float around the Milky Way and take a walk on the moon!

Session 3: July 5 through July 14 "Toad"ally Cool Frogs

Hop on over to Grand Avenue for a swimmingly good time. We'll read books about our favorite amphibians like: The Wide Mouthed Frog, Froggy and Frog and Toad. Our projects will focus on frogs and toads. The classroom will also feature a lot of frog-themed FUN!!

Session 4: July 19 through July 28 Treasure Hunters

Ahoy, Mateys! We're boarding our ship and setting sail for the high seas. Using our telescopes and imaginations, we'll be in search of dry land and treasures. Once we drop anchor, we'll row our boats to shore and follow our maps to where "X" marks the spot.

Yo ho, it's the exciting camp for me!

Session 5: August 2 through August 11 Wacky Water Play

Our last camp is our annual fun-filled water play session. Campers will dabble with watercolors, blow bubbles, color with sidewalk chalk, paint with water and cool off with popsicles for snack. Join us for a big SPLASH through the sprinklers under the warm summer sun before the school year begins! (Your child should wear their bathing suits under their clothes, apply sunscreen before camp & bring a labeled towel to dry off).
