

2023 SESSIONS

PRESCHOOL SUMMER CAMP

Session 1: June 6 through June 15 Silly Science

Scientists start as kids that ask a lot of questions and want to find out the how and why. We will try to guess what we think will happen when we poke holes in a bag filled with water. Will the water come out?? What does it take to make water move like lava. Let's experiment!

Session 2: June 20 through June 29 Cool Cats

Say "Hello Kitty" to Daniel Tiger, Tom the Cat in the Hat and other famous felines. We will bounce around like Tigger and make music like Pete the Cat. Be sure to join us for this "Purr"-fectly fun camp!

Session 3: July 5 through July 13 Picnic "Ant" ics

As the weather gets warmer, it's a perfect time for a picnic! We'll listen to some stories about ants, finger paint some ants and go marching one-by-one like the ants...Hurrah, Hurrah!! We can enjoy our snacks in a picnic style, too - but no ants invited!

Session 4: July 18 through July 27 Knights and Princesses

Grab your shield and your helmet, the Royal Court is in session. We'll hear stories of fierce dragons being subdued by brave Knights, Princes and Princesses that overcome spells to triumph. We will build a royal castle, feast upon a royal banquet as we laugh at the silly jester and live happily ever after!

Session 5: August 1 through August 10 Sun, Sand & Sprinklers

Our last camp is our annual, fun-filled water play session. Campers will play in the sand table, blow bubbles, color with sidewalk chalk, paint with water and enjoy popsicles for snack. Cool off running through the sprinklers under the warm summer sun before the school year begins!

(Your child should wear their bathing suits under their clothes, apply sunscreen before camp & bring a labeled towel to dry off).
